The developer fees set forth in Section 4.01B, Section 4.01C, and Section 4.01D (collectively “Developer Fees”) shall be adjusted annually to reflect the effects of inflation on the costs for facilities and services set forth herein. The fee amounts shall be adjusted using the Construction Cost Index calculated by the publication, Engineering New Record (ENR). For each such adjustment, each of the Development Fees shall be multiplied by a fraction, the numerator of which is the ENR Construction Cost Index for the most recent month for which figures are available, and the denominator of which is the ENR Construction Cost Index for the period one year prior to the period reflected in the numerator. Section 4.02. Payment of Costs. Upon submission of appropriate documentation of the expenditure, Developer agrees to reimburse the County, not later than _____, 202_, for the County’s reasonable unreimbursed actual costs related to this Agreement.
