Reason for interest

During these past three years, I've seen significant changes in peoples physical, mental, moral and emotional health. The most obvious change has been the increase in weight, especially in our youth. As a dentist I have seen an increase in cavities, despite fluoride, and broken teeth are abundant. I would like to be part of a team engaging in meaningful preventive health measures, and in doing so, helping to improve the health and well-being of each individual. As an active community member, I believe it is important to give back to the community as a way of saying thank you. As a Rotarian, I truly believe "service above self."

Why do you feel you are qualified to serve on these boards? In addition, note education, areas of expertise, skills & interests. (continue on separate sheet if needed)

As a successful small business owner of two independently owed orthodontic practices, I am one of two expert orthodontists who serve on two cleft-lip and palate and craniofacial teams in Charlotte. As a healthcare professional, I understand the importance of collaboration, discussions, and a willingness to listen to others while not being afraid to present ideas. Academically, I attended Harvard School of Dental Medicine, worked at the NIDR-NIH and graduated from Ohio State's Orthodontic Residency Program. My volunteer experience includes Rotary International, Mel's Diner (a refuge program), and Interfaith Basketball League (IFBL) coach and board member. As vice president of IFBL, I had the opportunity to
